What is the Enneagram?

The Enneagram is a powerful system that describes nine distinct personality types and their interrelationships. Understanding the Enneagram enables you to identify the perceptual filter you use as you observe your world. You will develop awareness of your own point of view and how it differs from the point of view of others you relate to. This will help you create more satisfying love, work, and family relationships and may lead to:

- ◆ Increased self-understanding
- ◆ Being more effective at work
- ◆ Improved relationships
- ◆ More compassion for self and others
- ◆ Accelerated spiritual growth

Learning Goals

- ◆ Discover your Enneagram “point of view.”
- ◆ Gain an understanding of how people from the other 8 points of view function.
- ◆ Learn how you can shift your point of view and alter your behavior to improve relationships with colleagues, bosses, friends, and mates.

The Oral Tradition

The course will be taught in the Oral Tradition, a method which conveys a deep and subtle understanding of personality dynamics that is inaccessible through reading or discussion. In this tradition, the instructors and participants engage in a focused inquiry with panels of people who represent each personality type.

Participants' Feedback

- ◆ “It was a wonderful experience and extremely interesting and thought-provoking.”
- ◆ “Outstanding! I have a much deeper understanding of my own type and the perspectives of those in my personal life!”
- ◆ “The panels were extremely useful. I got concrete, specific information.”
- ◆ “Instructors demonstrated warmth, competency, and work well as a team.”

Clinicians can earn 23 CEUs by attending this workshop and a follow-on seminar.

Instructors

Renie Hope, MA, LMHC, specializes in helping her clients reclaim a sense of joy, passion and meaning in their lives. She has taught the Enneagram for 25 years in business, university and personal growth settings. She is an Affiliate Faculty Member at Antioch University. She has a Masters in Marriage and Family Therapy and has expertise in dream work, object-relations psychology, and the expressive arts. She uses the Enneagram in her work with individuals, couples, and groups. She is a Certified Teacher of the Diamond Approach and has been a student of that work since 1988. In that context, she spent several years working with the spiritual dimensions of the Enneagram.

Carol Ruth Summers, MS, LMFT, specializes in relationship and individual therapy, professional counseling development, and organizational training. Since 1970, clients have depended on her insight and compassion to support their growth and learning. Her Enneagram studies date from the 1980's when she studied with Helen Palmer. She combines the Enneagram with a broad range of expertise that includes Narrative, Cognitive, and Family Therapies; EMD/R; hypnotherapy; and mindfulness practices. She has taught counseling skills at Antioch University and is a Certified Gottman Method Couples Therapist.

Renie and Carol Ruth have been collaborating as **Vision Point Associates** since 1995, developing and delivering workshops and customized training.
